STATE SENATOR

February 27, 2014

Mr. Terry F. Bowie, President
Lake Conroe Communities Network
Post Office Box 1686
Conroe, Texas 77301

Dear Mr. Bowie:

Thank you for all the work you and the Lake Conroe Communities Network do to serve as an advocacy group for Montgomery County and more specifically the greater Lake Conroe Region. By bringing together communities of common interest, LCCN continues to provide an avenue for communication between the local citizens of Montgomery County and your elected officials.

I appreciate the information on Water Resource Management and the copy of the LCCN Strategic Plan for 2014 that you sent to me. These detailed documents, as well as others that I have received, are illustrations of the impressive commitment from the members of your organization. They help me to better understand the LCCN's position and how these topics are affecting Montgomery County and your local community.

It has been a privilege to work with the leadership of LCCN since 2007 and to participate in your legislative forums. My staff and I look forward to continuing our work with you on legislative issues that affect Montgomery County. I am continuously encouraged and impressed by the efforts of grassroots organizations like LCCN, who have an input in research and the decisions which are made in their local communities. Please do not hesitate to contact me if I or my staff might be of assistance to you in the future.

Sincerely,

A handwritten signature in black ink, appearing to read "Robert L. Nichols".
